## SCAM ALERT

Fraudsters are getting smarter, but so are we. In Canada, scams cost victims millions every year. From phishing emails to phone scams, staying informed is your best defense.

### Top Tips to Prevent Fraud

- ✓ Beware of "urgent" requests – Scammers create pressure by saying you must act immediately. Take time to verify.
- ✓ Don't trust caller ID alone – Fraudsters can "spoof" numbers to look legitimate. Hang up and call the official number.
- ✓ Avoid sending money or gift cards to anyone claiming to be from the government, a bank, or a family member in trouble.
- ✓ Watch out for prize or lottery scams – If you didn't enter, you didn't win.
