Dear valued member,

We will all get through this together.

The continued spread of Coronavirus (COVID-19) in Canada and around the world has understandably raised concerns for you and your families. Prairie Pride Credit Union cares about the well-being of our members and employees. Your safety will remain our top priority as this situation evolves.

We are monitoring the situation closely and are following the latest guidance from local, provincial and federal health authorities to ensure that our practices are aligned with the latest recommendations.

We are here to support your financial well-being.

We recognize the financial impact this may have on our members. From pay disruptions, school and business closures to illness there are significant impacts. We are committed to providing flexible solutions to help you through these challenging times, reviewed on a case by case basis. To learn more please reach out to your local branch. Remember that with online access to your account you can continue your business from the comfort of your home. E-transfers, bill payments and cheque deposits can all be done through your phone as well as checking account balances and doing transfers from one account to another. If you do not have online access please let us know and we can assist you with your needs.

Right now your health and safety are our top priority. We know there is a lot going on, but we are committed to keeping you informed and giving you the support that you need. With that being said Prairie Pride Credit Union will have a temporary suspension of in-branch services as of Monday, March 23, 2020. All online services will still be available and you can call any of our three branches for assistance.
